Apprenticeships at Kite Glass

leading supplier and installer of quality
toughened glass products throughout the UK

Working for us

Apprenticeships at Kite Glass

Kite Glass

Come and join one of the UK's leading suppliers and installers of quality architectural and structural glass products on our exciting and dynamic apprenticeship scheme.

Working within our experienced, dedicated team, you'll get first-hand experience in high-end, technically challenging glass production and installation.

If you want to help provide innovative solutions for projects as important as the Racecourse Grandstand, Ascot, the London Olympic Village and London City Hall we want to hear from you!

Who we are

At Kite Glass we work with some of the most exciting architectural projects in the UK, providing cutting-edge glass designed with the latest technology. Our specialities include architectural glass for innovative structures, blast mitigation glass to reduce damage in case of explosions, decorative glass, laminated glass for superior strength and security glass.

What we offer

Our apprenticeship schemes give you access to world-class specialist training with engineers at the top of their game and the opportunity to learn in a hands-on way in a real-life work environment. Plus, you earn while you learn – giving you that all-important independence.

At Kite Glass we put the focus on teamwork – just one of the reasons why team members stay with us for many years. You'll be working as part of our close-knit team and, if you prove yourself to us, you could have the opportunity to build a fantastic career with us.

Who you are

We're looking for apprentices who are passionate and hardworking with great attention to detail. If you're excited about the idea of working in an environment that's both technical and creative – and about playing an active part in building spectacular structures – we want to hear from you!
